accent

Designed exclusively for 24/7 healthcare environments, the Accent stacking chair is a perfect fit for waiting areas, patient rooms, cafeterias and administrative areas.

The Accent seating line boasts the following designs:

- Armless
- With arms
- Bariatric
- Hip chair
- With casters

Each of these models feature a durable 14 ga. steel frame, finished with a long lasting textured powder coat finish.

Additionally, any one of these models may be specified with one of our attractive wood back options, available in our seven standard wood finishes.

Standard-size models stack six high on the floor and eight high on optional dolly. Bariatric models stack four high on the floor and six high on optional dolly.

Bariatric model is reinforced and has a 500lb weight rating.
